ENVIRONMENT AWARENESS PROGRAMME UNDER "PRAKRITI" LUCKNOW 6TH FEBRUARY 2020

Forest Research Centre for Eco-rehabilitation (FRCER) organized 13th *Prakrati* program at Lucknow to create awareness in the young citizens of our country towards building a greener India. The program was attended by ten Kendriya Vidyalaya's as given below and more than 200 students participated

1. KV Cantt.
2. KV AFS Memaaura
3. KV AMC
4. KV Aliganj
5. KV Bakshi ka talab
6. KV CRPF
7. KV Gomtinagar
8. KV IIM
9. KV R.D.S.O
10. KV SGPGI

One day Program was hosted by KV AMC and it was started with inauguration of medicinal plant garden by Head, FRCER Dr. Sanjay Singh. Garden consists of more than 30 medicinal plants. Representative teachers from each school also attended the program. Principal Shri R. D. Yadav, Vice principal Sh. Shankar Prasad Yadav, Program Convener & PGT Biology Mr. B. K. Dixit welcomed the officers of FRCER with flowers and formal initiation of program started with lightening of the lamp, a symbol of light and knowledge. Mr. Dixit started the programme with his small talk on earth as our home. He asked the children that can we harm our home earth without harming ourselves. Principal Mr. Yadav welcomed officers and told students that we are guest to this planet and it is our duty to protect the earth for future generation.

Head, FRCER Dr.Sanjay Singh explained about the benefits/contribution of forest for society and environment. He pointed earth ethics, a right behavior towards earth and all living and non-living things. To achieve environment conservation objectives, students were requested to take active participation.

Dr. Anita Tomar, Scientist E and Co-ordinator *Prakriti* gave a concise talk of “Green Goods Deeds”. She talked about the list of over 500 Green Good Deeds and requested students to alter their behaviour to Green Good Behaviour to fulfill their Green Social Responsibility. She urged students to start taking up at least one green good deed a day at the individual level so that there will be a billion green good deeds performed daily in India. Dr. Anubha Srivastava, Sciencist-C gave brief introduction about the forests and forest cover of India with special reference to Uttar Pradesh. She also focused on agroforestry with special emphasis on fast growing trees.

At the end of the program Quiz competition was organized by officers of FRCER in which all the KV's students participated and prizes were distributed to winners. Condolence prize was also given to participants. Mr. Dixit presented the vote of thanks. The program was attended by teachers Ms. Beenu Mishra, Ms. Indu Puri, Shri R. D. Yadav, Shrimati Sangeeta Yadav, Shri Dhanshyam pandey, Shri Manoj Verma, Shri C. B. C. Verma, Shri D. K. Srivastav, Shri Sanjay Kumar and Shri G. K. Dwivedi.
