INSTITUTE OF FOREST GENETICS AND TREE BREEDING
(INDIAN COUNCIL OF FORESTRY RESEARCH AND EDUCATION)
Forest Campus, P.B. 1061, R.S. Puram P.O., Coimbatore – 641 002**

Green Skill Development Programme (GSDP) of the Union Ministry of Environment, Forest and Climate Change is an initiative for skill development in the environment and forestry sector to enable India's youth to get gainful employment and / or self-employment. Realizing the demand for green skilled youth the GSDP has been conceptualised and developed in MoEF&CC in consultation with the National Skill Development Agency, the nodal agency for synergising skill development initiatives in the country under the Ministry of Skill Development and Entrepreneurship. The programme endeavours to develop green skilled workers having technical knowledge and commitment to sustainable development which will help in the attainment of the Nationally Determined Contributions (NDCs), Sustainable Development Goals (SDGs), National Biodiversity Targets (NBTs) as well as Waste Management Rules (2016). GSDP has been outlined to give a unique learning experience through focused interactions in the class room as well as hands-on exercises.

ENVIS Centre on Forest Genetic Resources & Tree Improvement at the Institute of Forest Genetics and Tree Breeding (IFGTB), Coimbatore is offering three Green Skill Development Programmes during November 2019 to March 2020.

S.No	Name of the course	Educational Qualification	Age	No of Working Days	Last date of application
