Exhibition of Bamboo Crafts

A Green Skill Development Programme on “Value Addition and Marketing of NTFPs - Bamboo Crafts” is being organized from 31.01.2022 to 18.03.2022 by ENVIS Resource Partner on Forest Genetic Resources and Tree Improvement at the Institute of Forest Genetics and Tree Breeding, Coimbatore. 15 trainees from various parts of the country are participating in the training. An exhibition to showcase the crafts made by the trainees during the first week of the training was organized at IFGTB. Dr C. Kunhikannan, Director IFGTB inaugurated the exhibition. Various crafts portraying the creativity and talents of the trainees on the theme “Bamboo Water Fountains” were showcased in the exhibition. Dr R. Yasodha, Group Coordinator Research, Dr Kannan C.S. Warriar, Scientist F, ENVIS Coordinator & Nodal Officer GSDP and Shri Maria Dominic Savio, Scientist E & Training incharge encouraged the trainees. All the scientists, forest officials, ministerial staff, field staff and research scholars visited the exhibition and appreciated the creativity of the trainees.
