

EXTENSION ACTIVITIES

ICFRE-INSTITUTE OF FOREST BIODIVERSITY (IFB), HYDERABAD Report on Visit of Trainee Forest Section Officers from Telangana State Forest Academy, Hyderabad to ICFRE-IFB, Hyderabad on 30-01-2025.

07th Batch Trainee Forest Section Officers (FSOs) from Telangana State Forest Academy, Dulapally, Hyderabad visited ICFRE- Institute of Forest Biodiversity, Hyderabad for getting acquainted with the activities of the institute on 30.01.2025. A total of 32 trainees participated.

Shri E. Venkat Reddy, IFS, Director, ICFRE-IFB welcomed the trainees & enlightened them about various forest laws and environmental issues, climate change, ecological balance, forest fires, wildlife protection laws & CAMPA works, etc. He also highlighted the Research, Extension, Consultancies of ICFRE-IFB.

The program concluded with a biodiversity walk, led by the institute's technical staff, aimed at raising awareness about biodiversity conservation and identifying local flora in the ICFRE-IFB campus. Trainees also visited nurseries, field experiment sites, and various laboratories, including the Soil, Entomology, and Non-Timber Forest Products (NTFP) Research Laboratories. The entire program was coordinated by the Extension Division Team of ICFRE-IFB, Hyderabad.

Glimpses of the Program
