

SPONSORED TRAINING OF BAMBOO TISSUE CULTURE

RFRI, Jorhat conducted a sponsored training on Bamboo Tissue Culture from 22nd to 25th January, 2018 for three trainees from BSS College, Supaul District of Bihar. The trainees were Dr. Sanjib Kumar, Principal of BSS College; Ms. Shashi Kumari, Research Scholar and Mrs. Neelam Kumari, Laboratory Assistant of the same College. The training was conducted by Sri Satyam Bordoloi, Scientist C, Biotechnology & Genetics Division as Course Director.

Dr. R. S. C. Jayaraj, Director, RFRI welcomed the Trainees with traditional *Phulam Gamosa*.

The Trainees visited the RFRI Bambusetum and Nursery and exposed to various theory as well as practical aspects of Bamboo Tissue Culture. Hands-on training was assisted by Sri Prasanta Saikia, Sri P. B. Goswami and Mrs. Bebija L.

Dr. Manish Kumar Singh imparted training on nutritional aspects of bamboo.

At the end of the training, Certificates were distributed to the Trainees during the celebrations of Republic Day.
