

MoU SIGNED BETWEEN RFRI, JORHAT AND CSIR-NEIST, JORHAT

A **Memorandum of Understanding (MoU)** was signed between Rain Forest Research Institute, Jorhat and CSIR-North East Institute of Science & Technology, Jorhat on 26th November, 2020. It was signed by Dr. R. S. C. Jayaraj, Director, RFRI and Dr. G. Narahari Sastry, Director, CSIR-NEIST, Jorhat in presence of other senior Scientists. The purpose of signing the MoU is to create a framework for collaboration between CSIR-NEIST and RFRI with the objectives such as to develop joint R & D projects of common interest and collaborate, to work together in mutually agreed areas, to exchanges of scientists, technologists, research personnel between the two institutes and other activities mutually agreed upon by the Institutes.

Both Institutes mutually agreed to pool their resources, expertise and facilities and complement each other, to their best effort, in the implementation of the activities under this MoU; to share information for research and development purpose under this MoU; to extend assistance and cooperation to one another in the attainment of their common goals during the programme.
