

**‘ दो दिवसीय कम लागत वाले वर्मी कम्पोस्टिंग प्रशिक्षण ’ पर विस्तृत रिपोर्ट  
24.00.2026 से 25.03.2026 तक ।**

**A detailed report on ‘Two days Low cost Vermi Composting Training’  
from 24.0.3026 to 25.03.2026.**

**Organized by ICFRE-LEC, Agartala**

**at Noagaon, Bamutia R.D. Block, West Tripura in association with Sohag SHG of Bamutia**

ICFRE-Livelihood Extension Centre, Agartala (Tripura) has conducted two-day long Low Cost Vermi Composting Training at Noagaon, under Bamutia RD Block, West Tripura District from 24<sup>th</sup> March, 2026 to 25<sup>th</sup> March 2026, in Tripura sponsored by CAMPA Extension. A total of 15 (fifteen) nos. of Participants from Bamutia Block attended the training program. A beneficiary group (Self Help Group) of ICFRE-LEC named ‘Sohag SHG’ members were the active trainees cum participants during this training.

The participants were given hands on practical training on the first day. On the second day of the practical training, six numbers of Vermicompost units were made in different locations of the Village. A leaflet of Vermicomposting on local language (Bengali) was distributed among participants.

This type of hands-on training of low-cost Vermicomposting technique of ICFRE-LEC Agartala is bringing sensitization among participants to build up more and more Vermi Compost units in different location of Bamutia RD Block under West Tripura District.
