बांस के प्रवर्धन और नर्सरी प्रबंधन पर प्रशिक्षण (2-4.11.2026)
Training on Propagation and Nursery Management of Bamboos (2-4.11.2026)

ICFRE-TFRI, Jabalpur, is organising a three- day training program from 2-4 November 2026, on “Propagation and Nursery Management of Bamboos” sponsored by MoEFCC, GoI, for personnel from departments other than the Forest Department. The training programme was coordinated by Dr. Fatima Shirin, Director, ICFRE–TFRI, and witnessed participation from various government departments and institutions, including Jawaharlal Nehru Krishi Vishwa Vidyalaya (JNKVV), Krishi Vigyan Kendras (KVKs), Revenue Department, Archaeology Department and Horticulture Department. The training coordinator highlighted the growing demand for bamboo and its immense potential in the Central Indian region. She emphasised the importance of interdepartmental collaboration to promote bamboo propagation, strengthen nursery development and encourage large-scale bamboo plantation initiatives. The inaugral session was moderated by Dr. Kaushal Tripathi, Scientist-C.
